

North Weald Art Group September 2017 Bulletin

August Demonstration

Our published demonstrator, Kate Osborne was unable to come, we were very fortunate that Christine was able to replace her at very short notice. Christine's demonstration was a mixed media painting of an oil sketch of Standen where the group had visited the week before.

Christine's methods of using collage, acrylic inks and printing using mount board were new to many of us.

We were transfixed and enjoyed the evening. Even the most orthodox oil painters would have picked up some tips!

We are so lucky to have talented artists in the group who are able to step in at short notice.

Thank you Christine.

OUTDOOR PAINTING

Our August outing was to Standen (NT). 6 of us enjoyed our day, the weather was kind and there was a good variety of subjects, although most of us included the beautiful house designed by Philip Webb.

OUTDOOR DRAWING and PAINTING

Saturday September 23 2017 - David Wright Memorial Painting Day

HASTINGS

We will meet at the Jerwood Gallery for coffee at 11am and then set out to paint, draw or just explore Hastings. The Jerwood Gallery will be our base for the day, and we can benefit from the group rate of £6. Partners and friends who don't paint are very welcome.

There is a cafe with superb views across the beach to the sea and fishing boats. The gallery is just a short walk from the old town of Hastings, with many unusual shops and sketching opportunities. There is a large car park near the gallery.

If you haven't already done so, please let Christine know if you are planning to attend so that she can make the group booking. Payment should be made on the day.
